MIX PROPERLY

The attention of fruit growers is called to the fact that the present is the proper time to spray for peach blight and not leave the matter for another month, when the season will be too late. In this connection it is well to mention the following:

At the State Fruit Growers' Convention at Hanford, Prof. M. B. Waite of the U. S. Government Plant Bureau, went into the chemical analysis of the Bordeaux mixture, or blue stone and lime spray, for pear and apple scab and peach blight. He showed very clearly that it was positively necessary that the mixture be properly put in the spray tank. For instance, in making fifty gallons of spray, have the lime in twenty-five gallons of water, and the blue stone in the same amount and then draw into the spray barrel from each, so that the spray in the barrel is the proper strength no matter how much there is in the barrel.

Professor Waite attributes much of the seeming failure with the Bordeaux mixture spray to improper mixture.

Glen Ellen Christmas Tree

The Glen Ellen Literary Society will give a literary and musical entertainment in Glen Ellen on Saturday evening Dec. 21, next.

The principal features of the program are the play, "The Three Fairy Gifts" and a volume by pupils of Dunbar School. The children are bending every effort to make the entertainment satisfactory and pleasing in every way. The proceeds will be devoted to getting up a Christmas tree to which all are welcome. It is intended that no child in that section shall be omitted in the distribution of gifts.

Admission 25 cents, children 10 cents. Every body go and help a generous cause.

Prohibition Clauses in Deeds

The decision of the State Supreme Court affirming the decision of Superior Judge Lennon in the Point Reyes case, in which one Burdell, sought to invalidate the deeds of two purchasers of land under a penalty of forfeiture clause, which stipulated that no saloons should be maintained on the property sold without Burdell's consent, was eminently just. Shortly after the sale Burdell himself established a hotel and opened a saloon, at the same time refusing to grant others a like privilege. The two purchasers in question opened saloons also, when Burdell began suit for forfeiture of title. In affirming Judge Lennon's decision the Supreme Court held that while prohibition clauses were legal when the intent was really prohibition, they were void when the intent was to create a monopoly. And no one will quarrel with this finding. It simply means a square deal to all alike.

Will Have Power Soon

Several big eight horse teams are busy this week hauling the heavy piping out to the Snow Mountain Power house at Potter valley. This is about the finish of the big hauling. Last week the big gates to the tunnel were hauled out. They weighed a little over ten tons each and were quite a load. Work on the line from Ukiah to Potter is all completed except the stringing of the wire, which will be done as soon as the wire gets here from the east. Everything will be in readiness to get the juice out as soon as all the wire and needed articles arrive from the east. The delay has been caused by the delay in shipments from the east. It is expected that the juice will be turned on by the middle of January if all the appliances get here by that time so that the proper test can be made.—Press Democrat.

Reception to Rev. Day

The members of the Congregational Church and their friends will give a reception in the church parlors to the new pastor, Rev. Day and wife, this Friday evening. A cordial invitation is extended to all to be present.

Notice to our Customers

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. L. S. Simmons.

When this crisis is over, the bank depositor who has been denied his money will be looking for a place to deposit it in a good farm land. Remember what we say, farm lands have increased in value by this financial flurry from \$5 to \$10 per acre all over the country.—Cultivator.

Course in Wine Making

The agricultural department of the University of California announces a short course in "Wine Making and Wine Testing" at the University farm, Davisville, January 2nd to 8th, 1908.

This course is intended for wine makers who already know something of the ordinary practice in California and desire to perfect themselves in their art. It will be confined exclusively to the manufacture of dry wine, the time being too short to touch on sweet wines and the various subsidiary industries connected with wine making.

The subjects to be given especial attention in the lectures are the economical utilization and amelioration of grapes, the control of fermentation by means of pure yeast, cooling, maturing and bottling and the various operations of defecation, filtering and fining used in the completion and aging of wines.

The laboratory course is designed to give cellar men the knowledge of those chemical and physical tests which are necessary for the production and proper handling of wine and will consist in practical determinations of alcohol, solid contents, sugar, acid and color in wines.

There will be ten lectures, two each day, on the above topics, and the remainder of the time will be devoted to laboratory work.

Murdered at Napa Junction

John Riley, a traveling umbrella maker of San Francisco, was murdered near Napa Junction last Saturday, the body being found about one mile north of the station with the head almost severed from the body. He was reputed to be worth about \$20,000 and had the habit of carrying a large sum of money on his person. When found, his pockets were all turned inside out.

Orino Laxative Fruit Syrup, the new Laxative, stimulates, but does not irritate. It is the best Laxative Guaranteed or your money back. L. S. Simmons.

County Moneys

The first installment of county taxes as far as collected amounting to \$136,953.50, has been apportioned by County Auditor Charles A. Pool as follows:—State fund, \$38,108.53; general fund, \$46,299.90; school fund, \$22,246.37; road fund, \$20,436.94. The road has been apportioned among the districts. Sonoma Valley will get the following:

Glen Ellen, \$519.34; Agua Caliente, \$587.33; San Luis, \$1,163.25; Lakeville, \$984.82.

Public Speaker Interrupted

Public speakers are frequently interrupted by people coughing. This would not happen if Foley's Honey and Tar were taken, as it cures coughs and colds and prevents pneumonia and consumption. The genuine contains no opiates and is in a yellow package. L. S. Simmons.

Wants Property Vested

Alfonso Luchesi has petitioned the Superior Court to vest title in him of the property left by his deceased wife, Nicolini Luchesi, consisting of property in Kenwood, which was purchased some years ago with community funds and stood in the name of the deceased wife. Attorney L. W. Julliard represents the petitioner.

Millions of bottles of Foley's Honey and Tar have been sold without any person ever having experienced any other than beneficial results from its use for coughs, colds and lung troubles. This is because the genuine Foley's Honey and Tar in the yellow package contains no opiates or other harmful drugs. Guard your health by refusing any but the genuine. L. S. Simmons.

MAKE IT YOURSELF

There is so much Rheumatism here in our neighborhood now that the following advice by an eminent authority, who writes for readers of a large Eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

Holidays Continued

Governor Gillett has announced special holidays until December 14, and intimated that they will continue indefinitely. He says it would be a safe to call off the holidays at the present time, as the failure of the California Safe Deposit & Trust Company, has undermined public confidence and seriously affected other institutions. The Governor is in San Francisco investigating conditions.

The Holiday Law

The special holiday statute, recently passed in extraordinary session of the legislature, to protect the banks and at the same time provide for the business of the courts, was sustained Tuesday morning by the supreme court, which holds the new law constitutional.

Grangers Elect New Officers

The Glen Ellen Grange at the regular meeting on Saturday elected the following officers for the ensuing term: Master, N. S. Trowbridge; overseer, George Cobb; lecturer, Andrew Erikson; steward, Thomas Johnson; assistant, R. P. Hill; chaplain, Mrs. A. E. Gaige; treasurer, Chas. J. Poppo; secretary, Mrs. Jesse H. Cobb; gate keeper, H. C. Lafferty; Pomona, Mrs. Ida Wagner; Flora, Mrs. Jacob Boesch; Ceres, Mrs. H. C. Lafferty; lady assistant steward, Mrs. Lottie A. Payne; trustees, Theodore Wagner and Robert P. Hill.

Ladies Aid Entertained

Mrs. Claude E. Johnson very pleasantly entertained the Ladies Aid Society of the Congregational Church at her pretty home on Napa St., last Tuesday afternoon. Notwithstanding the inclemency of the weather, a goodly number were in attendance and spent a most enjoyable afternoon. After the regular business of the meeting had been dispatched, a delicious luncheon was served. The society is in a flourishing condition and much interest is shown in the good work undertaken.

PIONEERS GONE

Daniel Egan Sr., dropped dead from heart disease at his home in Petaluma last Tuesday evening. He was a pioneer of this county and had resided in that city for many years.

Lewis Franklin Chinn died at his home at Melitta last Tuesday. He came to California in the early days from Kentucky, his native state, and left a large estate. He was 87 years and 7 months old. The funeral was held yesterday from his late home. Interment was in Santa Rosa.

Death of Mrs. Sweet

After only a few days suffering from double pneumonia, Mrs. Jacob Sweet passed away at her home in Napa last Monday morning.

Deceased was a lady of Christian character, and by her generous disposition had endeared herself to a host of friends in Napa and elsewhere. She leaves a husband and three grown children to mourn her loss. Deceased was a sister of G. H. Hotz of this city.

The sympathy of all goes out to the bereaved ones in their hour of affliction.

Miss Dobbel Entertains

Miss Dorothy Dobbel very happily entertained a number of her friends in honor of her tenth birthday at the home of her parents, Mr. and Mrs. F. W. Dobbel, east of town, last Saturday afternoon.

Jolly games were played and all went merry as a marriage bell. Dainty refreshments were served. While at the table, each and every guest had a string on the big birthday pie. When each exercised her pull a present was forthcoming on the other end of the string. It was a case of everyone having a pull that worked. A most enjoyable time was had by all present who thanked their genial little hostess for the pleasures extended.

Attempted Murder

A stranger supposed to be H. R. Woods of Oakland or San Francisco, entered the store of Steiger Bros., Main St. Petaluma, last Monday evening, shortly before 6 o'clock and bought a revolver and a box of cartridges. After completing his purchase, he put two cartridges in the pistol and aimed it at Wm. Steiger, one of the proprietors. Luckily, the trigger fell upon an empty chamber and no harm was done. The man then turned a id ran, and excited citizens following, found him dead in the McNear ground on Third St. He had gone this far and shot himself in the head with his new revolver.

Coroner Blackburn held an inquest Tuesday morning. The dead man was identified Tuesday as H. R. Woods of Oakland, a descendant of Lord Fairfax, the old Virginia baron whose protégé Washington was before the revolution. He was a civil engineer of marked ability and to constant study and work is attributed his breakdown.

New Addition Accepted

The Board of Trustees have accepted the map of the new subdivision to the city of Sonoma, The Austin Addition, (old Chase property) and the map will now be filed for record. The new streets have been graded and cement sidewalks laid and when the owners shall have graveled the streets, this condition having been required by the board, everything will be in fine shape in the new residence section.

B. F. Campbell is the local agent for the property.

A False Rumor

There has been a rumor going the rounds of different country papers that a Petaluma man by the name of S. J. Webster, had purchased the controlling interest in Boyes Hot Springs (inc), paying \$80,000 therefor. In conversation with Dr. Barmore, manager of the springs and a director of the company, we were informed that the rumor was entirely unfounded and that Mr. Webster had not purchased any shares in the corporation whatever.

Will Wed Shortly

The announcement of the engagement of Miss Pauline Koch and Eme die Philippi will come as a pleasant piece of news for the many friends of these young people. Miss Koch is the youngest daughter of Mr. and Mrs. August Koch and a young lady of many accomplishments. Mr. Philippini is a prominent resident of Sonoma Valley. The wedding will take place in St. Rose's church on December 18th and will be a high noon affair. Rev. Father J. M. Cassin will be the officiating priest.

Blackleg Among Cattle

Blackleg has broken out among the cattle on the Fair ranch at Lakeville, now owned by A. W. Foster. Mr. Keiser who has a ranch at Lakeville states he lost ten head this week. Over one hundred head have died from the disease during the past few weeks. Every precaution is being taken to check the disease. The cattle that have died from the disease were thoroughbreds.—Courier.

French Laundry

A. Rouquette, of the Sonoma French Laundry, is making some extended improvements in his property opposite the City Hotel. He will remove partitions, put in a new store front of plate glass and make other changes in the west half of the building and will move his laundry there in the near future. Mr. Rouquette's increasing business demands more room which he is going to meet.

Stabbed The Postmaster

Antonio Martinelli, postmaster of Oema, Marin Co., was stabbed four times in the back and chest while grappling with a desperado in his store there Saturday. The postmaster refused to be held up and fought with the robber. Mr. Martinelli had about \$7000 in his store at the time. The bandit escaped.

Suit and millinery sale commences Dec. 14th. The Sonoma Racket Store.

Baldwin Heard From

On Wednesday O. C. Baldwin of San Francisco, sent to Assistant District Attorney George W. Hoyle a check for Sonoma county, for \$250, in final settlement of the controversy over a forfeited bond for his failure to construct a railroad in the Sonoma Valley for which he obtained a franchise from the Board of Supervisors several years ago. The bond was originally for \$1,000, but owing to some defect in it Baldwin could not be held for the full amount. He failed to do the work in the time prescribed in the ordinance, hence the forfeiture of the bond.

The matter has been handled by the District Attorney's office and the settlement was in accordance with the sanction of the Board of Supervisors. The franchise was granted and bond given before the present administration went into office.

Beware of Ointments for Catarrh that Contains Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co., Testimonials free. Sold by druggists. Price, 75c per bottle.

Take Hall's Family Pills for constipation.

Good Cause for Recovery

One of the metropolitan dailies on Wednesday printed the following heading on a news item:—**MAYOR TAYLOR RECOVERS FROM HIS SUDDEN ILLNESS**

Delegation of Undertakers Calls on Him to Ask for Representation on New Health Board

A perusal of the article showed that there was no connection between the first and second part of the heading—otherwise the call of a delegation of undertakers upon a sick man might be cause for alarm.

frequent.

THE FIRST LETTER A Woman Writes.

THE FIRST LETTER that a sick woman should write or have some one write for her is to Dr. Pierce, of Buffalo, N. Y., asking him if "FAVORITE PRESCRIPTION" is suitable for her case, and he will frankly tell her so if he thinks it is. He may have to ask some questions before he can be sure just what the trouble is. If you are suffering from uterine disease, the symptoms of which are headache, backache, sideache, pain in various parts of the body, especially in the pelvic region, bearing-down, inflammation, ulceration, then Dr. Pierce will advise you to use his "FAVORITE PRESCRIPTION" for he has had a wonderful experience in the use of this remedy. It is not a PATENT MEDICINE but it is a VERIFIABLE PRESCRIPTION that became his "FAVORITE" when he was engaged in private practice forty years ago and found that it cured more than ninety-eight out of every hundred of all such cases that came under his care. The doctor found scores and hundreds of women who were being improperly treated because their troubles were not understood, and he determined to place this remedy that he had used so successfully within reach of the multitude who were in such sore need of it. He made it efficient, agreeable to taste,

and, best of all, safe for any woman, old or young, to use. It is NEITHER A STIMULANT NOR A NARCOTIC, just a vegetable tonic, and its ingredients are pure, composed of native roots of remarkable medicinal value in the treatment of this class of diseases, and its RECORD OF MORE THAN HALF A MILLION OF CURES entitles it to full confidence. The only medicine for the cure of woman's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle leaving the great Laboratory in Buffalo, N. Y., where it is made, is called Dr. Pierce's Favorite Prescription.

It Stands Alone not only in its ingredients being known, but also as the only specific advertised remedy for woman's diseases which absolutely contains NO ALCOHOL. **It Stands Alone** as the one medicine for the cure of woman's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle leaving the great Laboratory in Buffalo, N. Y., where it is made, is called Dr. Pierce's Favorite Prescription. "I suffered with ovarian trouble for many months until I became quite discouraged, as there was scarcely a day when I was not in pain and my health was simply a wreck," writes Mrs. Elsie Fisher of Syracuse, N. Y. "I read one of your advertisements and decided that I would try Dr. Pierce's Favorite Prescription, as it seemed to have helped so many who were suffering as I did. I found relief after using two bottles, and a cure in three months—from what I considered was incurable. I am very grateful, and so different to me now, and I shall always give the credit where it belongs—to Dr. Pierce's Favorite Prescription." Send 31 one-cent stamps to cover cost of mailing and get a copy of the "Common Sense Medical Adviser," over 1000 pages. Address Dr. R. V. Pierce, Buffalo, N. Y. These ORIGINAL Little Liver Pills were put out by Dr. R. V. Pierce over 40 years ago, and never equalled. They're made of purely vegetable, concentrated and refined medicinal principles extracted from native American roots and plants. They speedily relieve and cure all the troubles of the Liver, Stomach, Lungs and Bowels and their attendant distressful ailments. One or two a laxative, three or four a cathartic.

To Induce Fall Laying

A little care and additional work and attention with the hens on the place at this season will be well repaid. This is the beginning of the moulting or shedding season, and a good many of the hens are not laying and will not lay for some two or three months under the usual course of neglect and indifference on the part of their owners. And yet, it is possible to get a goodly number of fall eggs if we go at it right.

To induce fall laying, the hens should have a variety of foods—not a great deal of any one kind, but a little of several kinds. For this purpose all the waste of the kitchen and the dining-room should be saved and given to them. The best plan is to have a good-sized pot handy, and throw all scraps into it. Let it sit at the back of the kitchen stove and at the close of either the breakfast or midday meal, put some oats or wheat into it, with water, and soak all together. It will not take long to do it and then when cooled off some call up the hens and give it to them. It will start them to singing and running about in a happy way, and soon start them to the nest, and keep them laying all through the autumn and fall.

In addition to the eggs this system will bring, it will also keep the hens healthy and vigorous and enable them to shed and re-clothe themselves in new feathers earlier than otherwise.—Rocky Mountain Husbandman.

Cheap, "Cash" Stores

The Interstate Grocer, says there is a subject for government investigation in the goods handled by the mail order grocery houses. The paper declares that most of the goods offered by those houses are what is known to the trade as "seconds"—that is, remnants from bankrupt stocks, salvage from fires and shipwrecks, goods damaged in packing, or half-spoiled and worked over with preservatives. These, he says, are gathered in large quantities at a fraction of the first cost, re-labeled and sent to the people who order "cheap" goods by mail, and give their home grocers the go-by. Since the pure food law was enacted, the inspectors have destroyed many lots of such goods.

Passed Examination Successfully

James Donahue, New Britain, Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Cure. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Cure cures backache and all forms of kidney and bladder trouble. L. S. Simmons.

Hindoo Vamoose

The N. P. Ry have discharged their Hindoo track workers as they were too unprofitable. They were long on rest spells, sleep and slowness and short on ambition and desire to get in a lays work. Italians have taken their places.

Are you having trouble with your kidneys? There are lots of people today who wonder why they have pains across the back, why they are tired and lacking in energy and ambition. Your kidneys are wrong. They need relief without delay. Take De Witt's Kidney & Bladder Pills; they are for weak back, inflammation of the bladder, backache and weak kidneys. Sold by L. S. Simmons.

The apple shipping season at Sebastopol closed last week after a run of four months and ten days during which seventy thousand boxes were packed.

Wise Talks by the Office Boy Repeated

The boss says that a real smart office boy should be made up of nine parts of judgment and one part of talk and that he should use the nine parts of judgment to tell when to use one part of talk. I believe that Kuppenheimer suits are themselves the nine parts. They have the right cut, the right make, the close fitting collar, the natural shoulders, the straight fronts—in fact it is the standard brand and is never left on the counters.

If we run out of sizes, on any one line of clothes, you'll find it the kind with the Kuppenheimer labels that are gone. Our head clothing man says we are selling suits and overcoats every day to men who haven't been in the town over 48 hours. You can bet those men will be constant customers if they decide to stay here, because Raymond Bros. goods are so reliable. I've heard of towns where, if you order pie for breakfast, you'll get it in time for dinner. There is no doubt Sonoma is the most progressive town in this part of the country. Where can you put your finger on another town with such up-to-date clothing and furnishings as you find at Raymond Bros.
